4 The Municipal Council have passed a resolution on 22-1-1947 stating that the grants to the various institutions might be paid We are at the fag end of the year and it would be helpful to the institutions if the grants could be sanctioned early If the institutions were not functioning properly from the commencement of the year, the Council would not have recommended for the grant in the month of January

In the circumstances, the grants recommended may perhaps be sanctioned All efforts to the institutions appear to be poor, deserving & help
